There are a number of options with regards to drinks for the evening. One option is to set a small tab (roughly enough for one drink per person) and encourage guests to purchase drinks from there on. This gives the flexibility of continuing the tab throughout the evening if desired. We are more than happy to provide a more complete drinks list upon request including cocktails, wines, beers and spirits.

Just give us a call or email us and we'll be happy to help out.
